We hope you've left some room for your birthday treats after your Christmas feasting!!! Have a lovely day and exciting times for those who will be moving into a new room as they grow up!!!

Themes

Throughout the different rooms we will be learning about lots of different things!!!!

- Babies & Tots- Transport
- Toddlers- Outerspace
- Pre-Preschool- Under the Sea
- Preschool- Once upon a time
- Afterschool- Authors and Books

Welcome to Ollie N, Dimitri, Bertie, Faye and Grace W. We are delighted to have more little buddies to play with!!! Yepee!!

New Preschool & P1 Parents!!!

Please please remember to get your application forms into your first choice before 12 noon on Wednesday 11th January. If anyone still needs any help with their forms please just get in touch!

Just to let you know that we will be having a few work experience students from secondary schools over the next few months. They will be in the rooms with the children and staff, watching and playing with the children. This is a great time for them to see if they could place themselves in a nursery working!

We would like to wish all our families a very Happy New Year, and to thank you all again for the lovely treats that you got us at Christmas time, it's very much appreciated!!

CAR PARK

Can we ask our parents to be considerate when using our car park, please park close but not too close to the other cars to allow for busy drop off and collection times!! Please try not to block the nursery vehicles incase we need to get out quickly!!! Thanks!!!

Little Vista

We are really pleased with the success of the Little Vista so far, and we hope all of you's are enjoying it as well. For any parents that still haven't been able to connect please get in touch and we will help you out as your missing out on a fab wee bit of technology!!

Please help us to keep your children safe by remembering to close the front door tight behind you. There has been quite a few occasions recently where it has been left wide open, and the staff can't be out of the room continually to check it!! Your help would be greatly appreciated.
