Parents Feedback Wanted!!

We now have more children registered than ever before and are very grateful to everyone for our fantastic reputation and word of mouth advertising. We are conscious not to lose the personal, homely feeling and family atmosphere as we grow, as this is what has made Country Kids. So we want to hear from you! Beginning in April there will be an incentive to use our 'comments box' found in each foyer. One lucky winner each month will be drawn and will receive £20 off their next invoice! Please comment on the slip of paper attached to the box and remember to write your name!! Please comment on positive experiences as well as any negative issues as this will in turn be passed onto the staff for praise where due.

We want Country Kids to continue to be 'your family nursery' and as always your thoughts matter!
