Did you know...

Frying pans out!!

Oh we can't wait for Tuesday 28th February when we have the smell of cooking pancakes wafting around the building!! Hope the kiddies remember to keep some for their parents!!

Please remember that if you have any concerns about anything regarding your child's time at nursery that you can arrange to meet with a member of staff outside of the room to be able to speak more freely to them. You can also at any time request to see your child's observations or be given feedback with regards to their general activity during the day. We want to help keep our parents as well informed as we can!!

Parents Talents!!

Do we have any talented or skilled parents who would like to come for a visit to the nursery and show the kiddies something fun? This could be a musical talent, a unusual job that you could talk about, anything at all that you think the children would be interested in hearing or experiencing!! Have a chat with the members of staff and we will get something sorted!!

Reminders for this month...

Pre-Pre are wearing Red on Tues 14th February, just any red accessories/cloths will help make our Valentine's Day great!!

Preschool Parents- Fine motor info workshop taking place on Mon 27th Feb, 7-8pm. Remember to return your confirmation slips, and if we have enough numbers it will run!

Suggestions welcomed...

Each year we review our policies and procedures and make any relevant changes to them. We would like to ask for our parents input in this process, so if anybody feels that different things need to be included or changed please get in touch with Elaine or Sarah and they can add in any extra information- our Policy booklets are displayed in each foyer.

Half Term again!!

Half term has crept up on us again!! Nicola and the rest of the Afterschool staff have been thinking up some fun activities for the children to get wrapped up in whilst off school!! Please let us know if your child needs booked in or booked out on holidays asap!!
