

Well December is here and the children are starting to get excited, as are the staff !! The Christmas decorations are well under way and I'm sure you will agree that the windows look fantastic, this is thanks to our very own Gemma- who is quite the artist!!

If you are not already aware we will be having our annual Christmas Party on Wednesday 24th December from 10am to 12noon, everyone is welcome. It is sure to be a fun morning with hopefully a visit from Santa himself !! For all the children that are normally booked in on a Wednesday we are still open from 7.30am but the whole nursery will close at 12 noon for everyone. Any other children attending the party must be accompanied by an adult. If any siblings are coming that do not usually attend the nursery could you supply a small present for them!

### Sessions

Could we just remind parents about our session finishing times as there have been quite a few late pick ups lately. This means staff are having to stay on to accommodate these children which in turn has a knock on affect with our school pick ups etc.

Full Day session	7.30am - 6pm
Morning session	9am - 1pm
Afternoon session	1pm - 5pm

### Sickness

As we know this is the time of the year for all the lovely bugs etc to appear, please remember to check your handbook for the illness policy so we can keep the nursery as clear as possible of sickness!!

### Reminder's!!

- \*Nursery reopen on Fri 2nd Jan 15
- \*Please remember to sign your child in and out each day!
- \* Please remember to bring hats,scarves & gloves with the colder weather here now!!
