Little new starts!!

Welcome welcome to two of our little new babies- Daisy and Isaac, and one little Pre-Pre - Heidi this month. We hope you enjoy your time playing with us!

Preschool/PI's

We hope everyone was happy with their setting choice. When we receive everyone's acceptance forms back in on Fri 5th May we will begin the task of sorting the class lists! This will take time and is not done lightly, as we understand the majority of parents will be wanting the morning class!! We will also be sending out wraparound forms shortly, so you can let us know what you need come September time, this will help us plan for the different pickups from each school!
