All Ireland

We will be having our 'All Ireland' Validators out assessing the nursery on the 13th & 14th June. This is normally two ladies that will come into the nursery and sit within each room and watch the staff interactions and routines etc. If you have any questions about these days please speak to a member of staff!

Preschool New Intake Evening

Please remember to come along to our Info Evening on Mon 5th June @ 7pm, which is for our Country Kids Preschool kiddies who will be starting in September! This evening is a chance for you to look around the room, receive your registration forms, meet the staff and have a look at the uniform sizes etc. Please let us know if you are unable to make it, so we can hold over information for you. We would ask that if possible you would not bring any children.

Daisy Dander

We are having a 'Daisy Dander' on Saturday 24th June, 9.30 - 11 am at The Commons in Donaghadee. This is in aid of Cancer Fund for Children in NI. Sponsorship forms have been given out to each family over the last week or so, please let a staff member know if you need another one. Please help us on this day to raise as much money as we can for this very worthwhile cause. On the Saturday we will have staff situated at different points along the Commons walk with a few exciting activities going on... and at the end of the walk each child will receive a certificate and stickers to thank them for taking part! Everyone is very welcome to come along the more the merrier!!

Stair gate.....

Some parents who have children upstairs may have noticed a new little addition to our stair gate..... this is an extra measure that we felt we had to place on the gate as quite a lot of the children had figured out exactly how to open the gate. This extra measure is a hook that is to be fastened onto the bracket of the stair banister and therefore if the children manage to get the latch undone the gate will not pull open due to the restriction of the hook! Please can we ask that when you are heading up and down the stairs to use this extra safety feature!!! Also please do not show your children how to open the gate as this defeats the purpose of having the gate, which is there to protect the children's safety. Thanks for your cooperation in this!

Pre to Afterschool.....

Our current Preschool Parents should all have received a letter this week which tells them about the change come the 3rd of July with regards to which room their child will be in!! The Preschool children over the next couple of weeks will be visiting Afterschool for some settle in session before moving come the start of July. Please speak to Elaine or Sarah if you did not receive the letter or need further clarification!!

Summer Break is nearly here!!

As we head closer to the end of the school term, please let us know if there is going to be any changes in sessions etc, also can we ask that any who have children who are starting new preschools or schools let us know of settle in times and collection times so we can get organising for Sept time!!
