

Staff News!

A little belated but we would like to congratulate Jamie Reid on her engagement on Christmas Day!! Happy Wedding planning! We would also like to welcome our new staff Katherine and

Nicola to our team, they have settled in well and will soon be in full swing!! You may also have noticed a couple of other new faces on a Thursday and Friday, these are our students that are on placement in Babies and Toddlers. Elaine and bump will be finishing up at the end of this month; we wish them all the best and hope it all goes well!! We will keep you updated!!

Afterschool!

Half term is coming up and Holly has planned a fun filled programme with a few trips included. There are still a few spaces if anyone would like to book any extra to keep the children busy!!

Nursery Life!

During January and February we have had a lot of new starts who we would like to welcome to the nursery. However because our numbers have increased quite a bit we would like to ask parents to respect the start and finish times to avoid us being over with our numbers in each of the rooms.

What happening in February!!

This month sees 'Pancake Tuesday' on the 17th February, so you'll see our staff whipping out the cook-books and getting their pinnies on!! The children will no doubt have the lovely pancakes scoffed long before the poor parents arrive!!

Hopefully you will be seeing some love (with lots of red glitter) sent home for Valentines Day from your little darlings, but please keep the flowers and chocolates to a minimum in the nursery... we're watching our waistlines!!
