Messy Pups?!

Do you seem to have the child that never lasts a day in the same clothes?! Remember we have a Country Kids Uniform available to save the messy things that can occur at nursery!! Polo's and Jumpers available, please ask for more details!!

Summer nearly gone!!

Well where has the summer gone!! Soon we will be back to school runs again, and will be also welcoming back our Term Time staff... It'll be good to have the full team back again!! For any parents that have not as yet let us know what is happening come September time please get in touch asap!!!!

Facebook Page

For any parents who haven't already heard we now have two Facebook pages... Both are under the name Country Kids Day Nursery NI, one is a public page where we will be posting general updates and 'faceless' pictures, whilst the other page is a closed group for our parents only. Please have a search for us and request to join the closed group to see more detailed information and photos of your children getting up to lots of fun!!!

Little Vista

Little Vista

Our Little Vista App has now been up and running for a good few weeks, and so far is proving to be beneficial for staff & parents!! We have noticed that there is still quite a few parents that are not linked up to the App.... How this happens is as follows: we send a text message with a code to your phone, you click on the link and it takes you to the Little Vista App Page, click on the Register tab, and enter the code you received from the text, and then confirm your child's details. This should then be you linked so you can see what our staff are putting on about your child's day!! Any problems with linking up please let us know!!

Country Kids Preschool

We will let our parents know when the uniform has arrived in, which should be mid August time. You will also be receiving iron on name tags and a preschool drawbag. Please make sure the uniform is all labelled before starting, to avoid any mix up's!!!
