It is the time of year for us to get into our winter woolies! Please make sure that you send a warm coat, a hat and some welly boots with your child to nursery each day so that they can still enjoy the great outdoors!

The kiddies are going to be such a knowledgeable little bunch!!

Half Term

Nicola & her team has been busy thinking of some exciting activities for the Afterschool children over half term! We will get the planned timetable out to you as soon as it's finalised!

Social Service Inspection

As you are aware, each year we have an inspection by the trust which normally lasts a day. We are given a period in which they will call out to inspect the nursery. Our dates have been given to us and are between Mon 15th Oct to Mon 12th November, so if you see 2 unfamiliar faces in the rooms it will be the Social Service inspectors! You may also receive a questionnaire if you have given consent for your details to be shared!

Staff News...

We have a student coming from Ards Tech on a Tues & Thur to do her placement with us. We are pretty sure the children will love having a new face to chat & play with!

Halloween is coming!!

The rooms are planning to have a Halloween Party on Wed 31st Oct, in the afternoon time! If your child attends this day please feel free to let your child dress up, as the staff will be as well!!!!

Jamie M is returning from her maternity leave after half term and getting straight back into teaching the preschool kiddies! We hope the settle back into work goes smoothly for her! This also means that Lyndsay O will be coming back into the nursery to look after the younger children again, they will be glad to have her back again, whilst the preschool ones will miss her!!
