Comments Box

For any new parents that have joined us in the last few months, we would like to tell you a little about our comments box!! This box sits in the foyer of each building and is there for popping any suggestions- in for any changes to the nursery practice etc. This helps us to get our parents view on things that we may not see!

Staff News...

We would like to welcome a few new staff to the team! We have Susie who is taking lead of our Afterschool Room, and will be getting to know the children/parents and routines over the next few weeks. We also have Tara, Sharan and Abbie joining the team, and we're sure the children will have lot's of fun playing with them! As you can imagine the new staff have a lot of things to get their heads wrapped around so please bear with us as they settle in!! We will be losing Rachel from the team who is heading back to do full time care work with the elderly and we wish her all the best the children will miss her! Also Lyndsay is moving on to a preschool post and she'll also be missed! Kirsty who was due to leave us at the end of August decided against it, so we are happy to still have her at CK!! Lot's of change over the last few weeks but it will hopefully all be settling down now!!

Invoices...

Just a reminder again that we will be monitoring the brought forward amounts on each families invoice. Ideally all invoices should be paid in full before the next months invoice goes out. If anyone is concerned about this, please speak to Elaine or Sarah and we will work a payment plan out to help clear the amount. Thanks for your help and support with the matter.

Reminders...

- *Please ensure you send your child enough nappies and wipes for the day.
- *The weather is getting a little colder so please remember a warm coat and wellies for your littles ones!
- *Remember to close the front door and the nursery gate securely behind you.
- *Please help us to keep the car park and gardens free from litter, as the wind can blow the litter out of cars around the nursery.
- *Please enter the driveway and car park with caution as we have lot's of cars on the move and children as well!
