Toddlers- Autumn  
Pre-Preschool- Autumn / Halloween  
Preschool- Fields, Fruits & Fireworks  
Afterschool- Halloween

The kiddies are going to be such a knowledgeable little bunch!!

## Photo Session!!

Dandelion Studios (Emma-Jane) are sending a photographer out to visit us on Wednesday 5th October. She will be here from 9am until 4pm in our Afterschool Room. The staff will have been asking and reminding you about this and whether you are interested in getting a photo taken. If your child does not normally attend on this day please feel free to call up. You are not obliged to buy the photos, but they will send proofs out and then you can make the decision!! We have been told that they are handy for Xmas pressies for relations!!

## Staff News!

You's may have noticed another sparkly ring finger amongst the girls at Country Kids!! Big Congrats to Rachael on her recent engagement, and also on securing a new room leader job in another nursery. We wish you all the best in this new position!

We are expecting our new staff to be starting any day now, as we patiently wait for their checks to clear!! We have Claire who will be helping as a student in Preschool on a Mon, Wed & Fri am and then doing a few afternoons in the nursery. We also have Kirsty returning who has previously worked for us and she will be in during the mornings. We also have a Lyndsay joining the ranks just to confuse everyone again with having a few Lynseys... she will also be doing afternoons. And last but not least we have Lois who will be covering mornings and lunch cover for us! We can't wait for them to get started and the kiddies will be delighted to have new faces to play with!!!

## Christmas Cards Time!!!

We have decided to do the Christmas Cards again this year as we have not done them for a few years! So what happens is your child does some magical art work at nursery and we sent it off to be put onto cards!! You will be told when the cards are available to view online and you will have a limited time then to view and purchase if you wish!! So the kiddies are currently doing their masterpieces at the moment and we will keep you informed as to when you can view them online!

## Sickness!

Unfortunately it is that time of the year again where bugs and colds etc will be flying around. Please help us to keep it contained by not sending your child into nursery if they are unwell, refer to your parental handbook for exclusion periods!

## Welcome to Nursery Life!

Our rooms have been filling up again!! A warm welcome to Roman, Annabelle, Maci, Maisy, Grace, and Lachlan. We hope they all settle in well and have lots of fun with our staff and their new buddies!

hello  
goodbye

## \*\*Invoices\*\*

Just a reminder again that we will be monitoring the brought forward amounts on each families invoice. Ideally all invoices should be paid in full before the next months invoice goes out. If anyone is concerned about this please speak to Elaine or Sarah and we will work a payment plan out to help clear the amount. So any families that have a brought forward that is larger than the months invoice, will need to clear the difference before being let into the rooms. Thanks for your help and support with this matter.
