## Summer Time!!

Can we just remind our parents about letting us know 2 weeks in advance if you are not going to be attending nursery so that we can apply your discount to your invoice. Please also try to remember to ring the nursery in the morning if your child is not going to be coming. Hopefully we will get some sunshine to play in!!

## Parents

Could we ask the parents to please drive carefully up the lane and into the car park as there can be children coming in and out with other parents. Please also make sure the garden gate is latched shut properly, and the front door is closed after you. These precautions will help protect all the children from the different dangers about!

## Afterschool Club!!

Afterschool Summer club starts from the 20<sup>th</sup> July until 21<sup>st</sup> August. There is lots of fun activities & trips planned so if we could ask the parents to have appropriate clothing for your children. Also for any trips away the staff will let you know the time we will be leaving the nursery and when returning, please try to have your children there on time so they don't have to wait around in the vehicles!!
