Staff News!!

Some of you may notice some old familiar faces floating about again, we are delighted to welcome Shannon and Rebecca back again for the summer! We hope they enjoy their time with us and we are hoping that they bring the sunshine with them!! We would also like to welcome our newest staff member Gemma Brown to Country Kids, she will be in with us over the holiday periods! I'm sure you will all get to know her very soon.

Medicine Information

Can we just ask parents to ensure there are no medicine bottles of any description left in bags as the children in some of our rooms have access to their own bags. If your child requires any medicine to be given throughout the day please make sure it is handed over to staff when they are dropped off.

Country Kids Newbies!!

We would like to take this opportunity to welcome Myles, Poppy, Harper, Peyton, Ralph and Lana to Country Kids. We hope they all enjoy their time with us.

Country Kids Preschool Children of Sept 15

For all of you excited parents our Pre-School open evening will be held in our Pre-School building on Monday 8th June at 7pm. This is an opportunity for parents to gain a little bit more info on what to expect come September, meet the staff team and ask any questions you may have. We would ask that children do not attend this evening as they will have an opportunity to come visit us on Tuesday 23rd June in the morning alongside their parents for a quick hour. Further information on this will be discussed on Monday 8th June.

Summer Holidays!!

With the summer (believe it or not) months quickly approaching we know that a lot of you lucky ducks will be heading off on some well deserved holidays. Can we just take this opportunity to remind you all that we require 2 weeks notice for holiday discount to be applied on your invoice.

Keeping to the time!!!

We know that everyone has busy days and that sometimes being late to collect your child is out of your control, however it has been noticed again recently that some parents are not collecting until after 1.30pm (am session) and 6pm. We would just like to remind you all that these late pick ups have a knock on effect to staffing, ratios in the rooms and the school pickups that commence shortly after 1.30.
