For those who are not on email we have a copy of the letter in the foye of both bulidings. Please have a read and see if you can help us out in any way !!

BIG REMINDER !!!!!

Don't forget Mother's Day on 26th March we haven't, and over the next week or so all your little ones will be making that something special just for you !!

Preschool and Afterschool building

To increase security in this building the front door will remain locked in the afternoons, please use the buzzer and a staff member will let you in. As it sometimes may be a little noisy in Afterschool and they may not hear the buzzer there is a phone number on the door you can give them a quick ring.
