Preschool Info Morning 18/19

We will be holding an info morning on Sat 2nd Dec @ 10-12 noon. The purpose of this meeting is to get a chance to view the preschool room, collect application forms, and get any help with filling the form out! Feel free to share the date!

Staff Update...

We have in the past month welcomed in 2 new staff to our team- Sarah & Danielle. They have been getting on really well and through the next few months will continue to move throughout the different rooms, getting to know the children and the changing routines! We also have Andrew starting with us at the beginning of November, who previously has been a teacher, and we know the children will love having another new face to play with!
Also well done to Kerry for completing her level 3 qualification in Childcare, the hard work paid off!
