Staff News...

The rooms in the nursery are getting busier again and we are in the process of waiting on SS Checks for two new full time staff, Carrie and Nicole. We hope to have them starting around the middle of November and as always we ask for your patience as we train them up!

Welcome welcome!

A warm welcome to Ronnie, Rebekah, Rayhan, and Chloe T, who are joining the Babies & Pre Pre Room for some nursery fun! We hope they settle in and make lots of new friends!

Annual Questionnaires

Each year we send out questionnaires to get some feedback on the service which we are providing to our families. We have had a good number returned already but if anyone still hasn't had a chance yet please help us out!!

Next Nursery Closure...

The nursery will be closing at 12 noon on Tues 24th December. We will reopen on Thursday 2nd Jan 2020. More details about our Christmas party will follow in the December Newsletter!!

Preschool Open Evening 19

We will be holding an Info Evening on Mon 9th December from 7pm - 8pm. The purpose of this meeting is to get a chance to look around the preschool room, meet the staff, and hear a little about life in our preschool! We can also help explain the in's and out's of applying for preschool and help you understand how it all works out! This year will be the second year in which the application are done online, but we will keep all the parents who have children eligible for Preschool informed!

Photo Proofs

For any of the children who got their photos taken back in October, you should now have received your photo proofs! If you are ordering the deadline is Friday 15th November, to receive in time for Christmas!! Let us know if you haven't received your proof as a few have been missing so far!

Winter Woolies

It is the time of year for us to get into our winter woolies. Please make sure that you send a warm coat, a hat and some welly boots with your child to nursery each day so that they can still enjoy the great outdoors.

Sickness!!

Unfortunately it is that time of the year again where bugs and colds etc will be flying around. Please help us to keep it contained by not sending your child into nursery if they are unwell, refer to your parental handbook for exclusion periods! If your child is going to be off sick, please ring and let the nursery know by 9am.
